## Storeroom Renovation

**Project contract date:** 5/1/2005

**Project completion date:** 10/31/2005

**Construction cost:** \$1,220,000

**Construction type:** General Contractor

**Project scope:**

Install a new three story shaft and stair and the demolition of existing three story shaft and stair. Also, various demolition work and renovations inside existing plant.

**Project accomplishments:**

The Storeroom renovation was completed on schedule, all job milestones met and budget met. First project to be run via P&G paper direct with contractor proves to be successful. Zero lost time, as well as, very safe project. Zero downtime and had no impact to existing plant operations.
