Project contract date: 9/4/2002

Project completion date: 6/4/2004

Construction cost: \$1,726,000

Construction type: Combined Packages-Gen. Trades & Masonry

Project scope:

This project was constructed in two phases. Phase I focused on the construction of a park pavilion with decorative masonry walls and architectural concrete. It also included remodeling an existing house adjacent to the park.

Phase II was a 12,000 sq. ft, two-story addition to the existing building, concrete bearing structure (poured in place concrete vault, concrete columns, slab on grade, elevated slab, and roof deck), CMU backup, brick veneer, Dryvit cornice, flagstone cladding, and addition of concrete columns to existing building.
