### Project scope:

Tuttle Construction is the General Contractor for this 14,700 SF Activity Center with an attached 4,000 SF Front Entry. Tuttle's responsibilities included overall project and schedule coordination, which all began with multiple budget pricing and estimates. Tuttle was responsible for subcontractors and vendor coordination, coordination of architectural and engineering timelines, as well as owner input when required. Tuttle self-performed concrete, carpentry work, and installation of the premanufactured metal building, while performing all construction manager responsibilities.
