Tel: 419-228-6262  
Project Manager: Ed Ford  
Superintendent:  
Fritz Sammetinger

## Dayton Mall Expansion

<b>Project inception date:</b>	9/1/05
<b>Project completion date:</b>	3/6/06
<b>Contract Amount:</b>	\$737,157. (Masonry contract only)
<b>Construction type:</b>	Retail
<b>Project scope:</b>	Tuttle provided masonry work

### Project accomplishments:

Fritz and his crew have done a great job keeping this job moving. They have worked on 5 different buildings thru very hard site logistics, have had to mobilize back and forth from building to building thru no fault of Whiting Turner or Tuttle to keep the job on schedule. On Building A, Whiting Turner ran into contaminated soils so that pushed us back a bit. The toughest challenge has been dealing with the holiday traffic at the Mall, for our work area is located in the mall Parking lot. We made it thru the holidays with no accidents. The Whiting Turner company has been pleased with Tuttle's performance and have negotiated four more projects with us.
