OSU Agricultural Building

Project inception date: 9/15/1998

Project completion date: 2/15/1999

Construction cost: \$685,086

Construction type: General Contractor

Project scope:

Tuttle Construction completed Phase II of this project. This work included all construction, excluding the building foundation and the parking lot sub-base. There were separate prime contractors on this project for HVAC, plumbing, and electrical. One major part of this project included the wood framing that was required.

Project accomplishments:

This job was a fast-track project. It was completed in five months. Tuttle Construction met the demands of the tight schedule and the owner was very satisfied.
